SHABBAT DIBRE

The Three Weeks between the Fast of the 17th of Tammuz and the Fast of the 9th of Ab are a traditional period of contrition and mourning for Jerusalem and the

Temple; prophetic passages of reproof and foreboding are designated as the *haftarah* readings on the three intervening Sabbaths. Sephardic custom is to refer to these Sabbaths by the opening words of the particular *haftarah* read on that day.

Shabbat Dibre is the first; its reading is the opening of the Book of Jeremiah. All three *haftarot* are chanted in a dirge of lament, although each ends on notes of comfort.
