## SHABBAT SHIMU

---

The Three Weeks between the Fast of the 17th of Tammuz and the Fast of the 9th of Ab are a traditional period of contrition and mourning for Jerusalem and the Temple; prophetic passages of reproof and foreboding are designated as the *haftarah* readings on the three intervening Sabbaths. Sephardic custom is to refer to these Sabbaths by the opening words of the particular *haftarah* read on that day.

Shabbat Shimu continues the theme of reproof and ominous foreboding with a reading from the second chapter of Jeremiah. This year, readings for Rosh Hodesh Menahem Ab are added.
