AT THE SYNAGOGUE

Honoring our Portuguese Roots with Dignitaries from Portugal

On Wednesday, in a sign of our returning-to-normalcy, Shearith Israel's leadership hosted a distinguished delegation of Portuguese government officials. This visit was prompted by the stateside trip by Portugal's Secretary of State for the Portuguese Communities, Dr. Berta Nunes, to the Portuguese communities across the US.

High on her list was an opportunity to encounter the Jewish community, and specifically, our congregation. It was gratifying to meet in-person and to share the history of our congregation (including the dark chapters in Portugal and its colonies), our fidelity to our Portuguese tradition, and the uniqueness of our congregation today. As a token of appreciation, Consul General Maria de Fatima Mendes presented us with a copy of the book, *Jewish Voices from Portugal/vozes Judaicas de Portugal*, by Rabbis Shlomo Pereira and Eli Rosenfeld.

Giving tours, whether to dignitaries, educational groups, or others, is a frequent and gratifying experience in normal times. As we look forward to more of these in the not too distant future, we are always looking for capable docents. Training provided. If you are interested in becoming a Shearith Israel docent, contact Rev. Z Edinger at zedinger@shearithisrael.org.
