A YEAR OF YEARS EVENT

The Travel of the Torah:

From Spain to Portugal, From Amsterdam to America

Tuesday Evening, September 10

Join us for an unmissable event, marking 365 Years of Judaism in America, featuring a historical ceremony and lecture by Rabbi Meir Soloveichik.

The program will include:

- a reunion between descendants of Don Isaac Abarbanel, one of the greatest Sephardic rabbinic figures of all time, and certainly the greatest Jewish Portuguese figure of all time, and His Royal Highness, the Duke of Braganza;
- the welcoming and rededication ceremony of a newly and meticulously restored centuries-old American Torah;
- the unprecedented return of our three precious sets of Myer Myers *rimonim*, which will be exhibited together for the first time.

Check your mailboxes and inboxes for invitations and RSVP details.

COMMUNITY ANNOUNCEMENTS

We are proud of Rabbi Soloveichik, who has been selected to read the letter by Moses Seixas that prompted President Washington's response to the Jews of Newport, at the Touro Synagogue on August 18. Washington's Letter will be read by Rhode Island Senator, Jack Reed.

Drs. Lu Steinberg & Michael Schulder are pleased to announce the engagement of their daughter, Ilana Hadas Schulder, to Daniel Ross, son of Susana and the late Ian Ross of London, UK.
