Selihot at Shearith Israel
Evening Services Through Rosh Hashana

The Sephardic custom is to prepare for Rosh Hashanah by reciting *Selihot* during the entire month of Elul. Unlike other communities, however, the Spanish & Portuguese custom is to recite a very short form of *Selihot* following Arbit every evening. This custom was a matter of great debate in the 17th & 18th centuries with Rabbi Moses Zacuto and Hayyim Yosef David Azulay (Hid'A) strongly advocating against our custom based on a mystical/kabbalistic understanding of the appropriate time for the recitation of *Selihot*. As a result, our community is virtually the only one left in the entire world that still recites *Selihot* in the evening service after Arbit. You can help keep this rare minhag alive by attending our daily evening services.
