Upheaval: The Journey of Menachem Begin

with introductory remarks by Rabbi Soloveichik

Wed, June 8 | 7 pm | 334 Amsterdam Ave, Marlene Meyerson JCC Manhattan

In memory of Ambassador Yehuda Avner, whose opus, *The Prime Ministers*, inspired the production

In Rabbi Soloveichik's words: "As we mark the anniversary of the Osirak operation, we remember the man who stunned the world in 1981, a leader who joined strong action with communion to the past, who could order an ingenious operation and then pray to God for its success, a leader who joined faith and political leadership, a leader whose legacy looms so large today."
