## Neighborhood Notice

Don't be surprised when you see a sidewalk shed along the western side of Paved Paradise. The neighboring building, 18 West 70th St. is doing their mandatory FISP (Local Law) work and is required to install this protection on our property. They tell us that the work affecting that area should be complete within a month and the shed will promptly come down. This does not affect our use of Paved Paradise and is there for our safety.
