In the Press

Last week, as we celebrated Yom Yerushalayim, Rabbi Soloveichik marveled at and reflected on the wonder that is Jewish history itself, in an article for the Wall Street Journal. You can read it at shearithisrael.org/resources/press.

Thanks to the efforts of the **Shearith Israel Sisterhood**, each year in celebration of both the harvesting of the first fruits as well as the giving of the Torah at Sinai, there is no more beautiful place to celebrate Shabuot than amongst colorful and fragrant blooms that fill our majestic synagogue and complement our festive pastel Torah mantles.
