## A Brief Note of Condolence on behalf of our Board of Trustees

Late last week and into this, we mourned the loss of **Cantor Phil Sherman**, who was affiliated with our Congregation for some thirty years. From very near to very far, Phil literally touched thousands of families as a "mohel," or a ritual circumciser. One family friend from Israel thought Phil was extraordinary in acting for families that might not have given their child a brit but for Phil. And during this season of happy songs, we remember the joy he brought to so many of our members through his beautiful singing.

We wish his family our condolences.
