Selihot at Shearith Israel

At Evening Services from September 4-October 9

The Sephardic custom is to prepare for Rosh HaShana by reciting *Selihot* during the entire month of Elul. Unlike other communities, however, the Spanish & Portuguese custom is to recite a very short form of *Selihot* following Arbat every evening. Our community is virtually the only one left in the entire world that still recites Selihot in the evening service after Arbat.
